We are regulated by the Care Quality Commission

Care is what we do

...kind is what we are!

Providers of quality one to one care and support at home and in the community, offering services across North Shropshire and South Cheshire.

At CareKind we offer a range of services starting from Companionship/Lifestyle service up to 24hr wraparound specialist Dementia care.

CareKind has been built on caring, kindness and integrity. We enable people to live as independently as possible whilst achieving their goals. We aim to help families stay together by delivering an honest, reliable and valued care service.

CareKind Staff are carefully selected for their skills, care and compassion and **trained well above regulation standards**, receiving specialist training in relevant areas of our service delivery. This includes in depth training in pioneering methods of Dementia management, Cognitive Impairment, Stroke and Parkinson's disease.

CareKind can provide services from a minimum 1 hour up to 24 hours a day, 7 days a week with prices starting from as little as £15 per hour. Our packages are customized to meet the needs of the individual, couples and families.
